In full:
Branches are invited to submit nominations for the 2020 Community Standing Orders Committee (SOC). If your branch would like to nominate someone please let me know by email (see below) by 5pm Monday 16 September 2019. Please note your nominee must be a member of the Community Service Group.

The SOC is responsible for the Community Annual Conference - it is comprised of one representative from each of the regions plus two representatives from the National Delegate Conference SOC.

Being a member of the Community SOC involves attending two meetings in London in the run up to the conference in early November and January, and attendance at the conference itself, which will be held on 29 February - 1 March 2020. Training for SOC members is available in November 2019. Please let me know if your nominee would like training.

If you have any questions or would like to discuss this please email me at j.hallam@unison.co.uk
